

June 8, 2019 Thread Painting with Julie Weaver
Paint by number - but no numbers and thread is the paint

What you will need:

sewing machine in good working order- feed dogs able to be dropped
machine instruction booklet

embroidery/basting/darning foot

sharps machine needles - 80/12 - 90/14 or close. As long as they are sharps
thread in many shades and hues of the colors in your flower.

complementary colors too

I use 100% polyester but really any good quality thread will work. I like mine
shiny but this is practice so use what you have.

prewound bobbins in a medium gray or tannish brown.

small scissors

waste bag for threads

What to do before class:

read the instruction booklet about how to adjust thread tension for free motion
quilting and practice before class so we don't waste class time adjusting your
machine

put in a new sharp needle

fill a few bobbins

example of a free motion foot
